Los Molinos high school is offering 10th and 11th grade students the opportunity to take the PSAT on our campus on October 12, 2022. The PSAT is a standardized test that measures the students' knowledge and skills in reading, writing, and math.

The PSAT provides students with the opportunity to get a feel for the SAT, and helps them identify potential academic strengths and weaknesses.

We will also be offering 12th grade students the opportunity to take the S.A.T on our campus on October 27. The S.A.T is a college entrance exam that many colleges and universities in the United States use as part of the college admissions process. The S.A.T opens doors to college opportunities and scholarships.

If a student would like to take the PSAT or the S.A.T, have the student sign up using the link that was emailed to them by Ms. Melendrez. The last day to sign up for the PSAT and the SAT is September 12.
